

2009 Summer Prices – exclusive multi-activity events

(For more details please refer to pages 3 to 6 of our main 2008 colour brochure)

Multi-Activity Events

An ideal half or full day event. Each guest takes part in selected action-packed skill activities followed by a Sprint or Enduro karting event. Skill activities include a crazy Powerturn buggy slalom, a six-wheel all-terrain Argocat hill climb, a quad bike woodland safari, and a Laser Tag paintball competition (group size determines the type and quantity of activities supplied). An optional half or full day catering package is available. Additional off-road activities also available on request.

Laser Tag

Note: all prices shown include compulsory accident insurance cover but exclude catering costs and VAT.

Powerturn Buggy

With a massive fleet of karts and off-road vehicles suitable for corporate entertainment, we have a model to suit everyone.

RX7 Pro and Sport

New for the 2009 season is a fleet of RX7

Pro and Sport karts. The RX7 is fitted with the proven Honda tuned 390cc four stroke engine and is available in Pro spec, capable of speeds approaching 70mph, and Sport spec with a speed approaching 80mph. With lightweight steering, the RX7 Pro and Sport are a delight to handle. The karts are fully adjustable in seconds to provide the perfect driving position for virtually any size of driver from 5' to 6'8". Fitted with slick tyres at all times, the karts are ideal for both novice (in Pro spec) and experienced drivers (in Sport spec).
