

# Stag and Hen Events

An action packed karting event makes the perfect start to a stag or hen party, and Buckmore is the ideal location. We offer a huge range of karting based events, some of which are combined with Laser Warfare sessions and off-road activities. The stag or hen goes **free** in all of the packages offered, as well as receiving complimentary photos of the event supplied on DVD.

## Option 1 – Stag/Hen Kart Grand Prix

...a series of quick-fire, point scoring heats lead to a grand final in which the grid positions are determined by the points earned in the heats. The top three finishers in the final earn trophies and share the podium. As well as going **free**, the stag/hen also receives a bonus of two points in every race.

- **Cost:** £99 per head (minimum 12 persons) inclusive.

## Option 2 – Stag/Hen Kart Enduro

...a short practice and qualifying session followed by a non-stop, 30-min endurance race. As well as going **free**, the stag or hen gets the benefit of a pole start, however well (or badly) they qualify.

- **Cost:** £79 per head (minimum 12 persons) inclusive.

## Option 3 – Kart Grand Prix and Laser Warfare

...the same format as the Stag/Hen Kart Grand Prix, but with the addition of some Laser Warfare games in the surrounding woodland.

- **Cost:** £118 per head (min 12 persons, max 18) inclusive.

## Option 4 – Kart Enduro and Laser Warfare

...the same format as the Stag/Hen Kart Enduro above, but with the addition of some Laser Warfare games in the surrounding woodland.

- **Cost:** £99 per head (min 12 persons, max 18) inclusive.

# Stag and Hen Events

All of our stag/hen karting and Laser Warfare events can be combined with additional off-road activities to create a truly memorable multi-activity event as follows:

## Option 1 – Quad Bikes

...our 125cc quad bikes are four-wheeled all-terrain motorcycles controlled by a throttle and brake. A safari activity takes place on a hill course through thick woodland overlooking the famous kart circuit. Participants negotiate steep hills, loose rocks and sharp turns as they follow our instructor in this exciting activity. Riders are scored on skill and control.

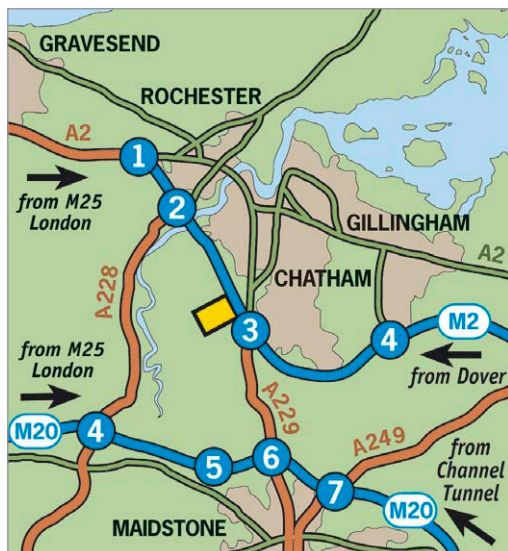

## Option 2 – Powerturn Buggies

...with instant independent power to each rear wheel, Powerturn wheelie buggies are 100% fun on wheels. They are controlled by two levers in a similar manner to military tanks and can spin on their own axis. Under full power, the front of the buggy lurches into the air, giving so much fun you'll be smiling for weeks!

● **Cost per each additional off-road activity:** £19 per head. Please contact the sales office for min/max competitor numbers.

Buckmore Park is located just off Junction 3 of the M2 near Chatham in Kent, approximately 20 mins from Essex and 40 mins from London. From Junction 6 of the M20, take the A229 to Chatham. The nearest train station is Chatham.
